

Together we have...

been one of the few Councils in the Country who still collect your rubbish & recycling every week.

brought in millions of pounds of external funding to boost the local economy & protect our services.

continued to share senior managers and back office services with other Councils saving you money to maintain the services you value.

continued to use our Conservative led ward budgets on local good causes and community projects.

agreed a new business rate scheme for our shops & pubs saving them up to a third of their rates bill encouraging investment on the high streets and market towns.

Together we will...

make our district an even more attractive place for business investment.

We will continue to invest up to £50m over the next four years in key housing, infrastructure and business growth.

focus on our Market Towns and High Streets with new investment.

Through a dedicated community fund, matched with external grants, to make them more vibrant & increase footfall.

make South Holland a more prosperous district.

Continue with our impressive track record of leveraging in external funding, to invest further throughout the district and working with businesses to help them grow & prosper.

give our young people the best start in life.

By working alongside The University of Lincoln & Boston College and local businesses to gain the right skills and encourage them to stay in South Holland.

have a cleaner, greener and safer district.

By continuing to invest into street cleaning, litter picking, tackling fly-tipping & continue to roll out the garden waste collection scheme.
